

**REQUEST FOR PROPOSALS  
R-2017-03**

The City of Dryden requires engineering services to prepare a Capital Needs Assessment Engineering Report for the Water Treatment Plant. The work includes inspection, reporting, and recommendations/estimates. Construction inspection and contract administration may be required depending upon funding availability.

Terms of Reference are available between the hours of 7:30 am and 4:00 pm, local time, Monday through Friday from:

Dean Walker  
Waterworks Manager  
[dwalker@dryden.ca](mailto:dwalker@dryden.ca)  
(807) 223-2367

Tyler Dziarmaga, C.E.T  
Engineering Technologist  
[tdziarmaga@dryden.ca](mailto:tdziarmaga@dryden.ca)  
(807) 223-2367

All consultants must declare their intention to respond in order to receive any addenda to the Request for Proposal.

Two (2) copies of the Proposal must be submitted in a plain envelope marked **"RFP for WTP Condition Assessment R-2017-03"** and addressed to:

Debra Kincaid, Clerk  
City of Dryden  
30 Van Horne Avenue  
Dryden, ON P8N 2A7

**By 3:00 pm local time, Wednesday September 27th, 2017.** Facsimiles will **not** be accepted.

*The City reserves the right to reject any or all proposals, to waive the irregularities and informalities therein and to award the contract in the best interest of the City in its sole and unfettered discretion.*

*All proposals submitted to the Corporation of the City of Dryden become the property of the City, and as such, are subject to the Municipal Freedom of Information and Protection of Privacy Act.*
