**SECTION 1
ADMINISTRATION**

1.1 TITLE

This By-law may be referred to as "The Zoning By-law of the City of Dryden."

1.2 AREA AFFECTED BY THIS BY-LAW

This By-law applies to all lands, islands and lands under water within the City of Dryden.

1.3 BUILDING PERMITS

The requirements of this By-law must be met before a Building Permit is issued for the erection, additions to or alteration of any building or structure.

1.4 ENFORCEMENT

Any person convicted of a violation of this By-law is liable on first conviction to a fine of not more than \$25,000. and on a subsequent conviction to a fine of not more than \$10,000. for each day or part thereof upon which the contravention has continued after the day on which the person was first convicted in accordance with The Planning Act.

Any Corporation convicted of violation of this By-law is liable on first conviction to a fine of not more than \$50,000. and on a subsequent conviction to a fine of not more than \$25,000. for each day or part thereof upon which the contravention has continued after the day on which the person was first convicted in accordance with The Planning Act.

In case any buildings or structures or any part thereof is to be erected, altered, reconstructed or extended, or any lot is being used or is to be used, in contravention of any requirement of this By-law, such contravention may be restrained by action at the instance of any rate-payer or of the Municipality pursuant to the provisions of The Planning Act, 1990 and/or the Municipal Act 1990 and/or any other legislation applicable.

1.5 SEVERABILITY PROVISION

A decision of a Court that one or more of the provisions of this By-law are invalid in whole or in part does not affect the validity, effectiveness, or enforceability of the other provisions or parts of the provisions of this By-law.

1.6 REPEAL OF EXISTING BY-LAWS

Upon this By-law coming into force and effect, By-law No. 1930-89 of the former Town of Dryden and By-law No. 501-97 of the former Township of Barclay and all amendments thereto are hereby repealed.

1.7 EFFECTIVE DATE

This By-law shall come into force the day that it was passed where there are no appeals filed or where appeals are filed, where all of the appeals are finally disposed of by the Ontario Municipal Board.

1.8 USE OF LAND

No lands within the area covered by this By-law shall be used for any purpose unless as otherwise permitted by this By-law.

**SECTION 2
ESTABLISHMENT OF ZONES**

2.1 ZONES

For the purposes of this By-law, the following Zones are established and they may be referred to by the name or by the symbol set opposite the name of the zone below:

R1	-	Residential Type One
R2	-	Residential Type Two
RM	-	Residential Multiple
RMH	-	Residential Mobile Home
RR	-	Rural Residential
RS	-	Shoreline Residential
CL	-	Local Commercial
CD	-	Downtown Commercial
CG	-	General Commercial
CH	-	Highway Commercial
CT	-	Tourist Commercial
WMV	-	Waterfront Mixed Use
M1	-	Light Industrial
M2	-	Heavy Industrial
MX	-	Extractive Industrial
MM	-	Mill Industrial
MD	-	Waste Disposal Industrial
I	-	Institutional
RU	-	Rural
OS	-	Open Space
HZ	-	Hazard

2.2 ZONE SCHEDULE

The Zones and zone boundaries are shown on the attached Schedule 'A', which forms part of this By-law. Schedule 'A' is comprised of a series of Maps.

2.3 SPECIAL ZONES

Where a Zone Symbol is followed by a dash and a number, (for example RM-1) there are special provisions that apply to the Zone. These special provisions are contained in the section of the by-law that applies to the primary zone.

2.4 DETERMINING ZONE BOUNDARIES

- i) A zone boundary shown approximately at a lot line, street or lane is considered to be at the boundary of the lot line, street or lane.
- ii) A zone boundary shown approximately in the centre line of a street or lane is considered to be the centre line of the street or lane.
- iii) Unless the location of a zone boundary is specified by dimensions on the zoning map, a zone boundary which lies within a lot shall be fixed by the scale of the Schedule upon which it is shown.

- iv) A zone boundary shown following approximately a shoreline or the centre line of a creek, stream or channel is considered to be the shoreline or centre line and moves with any natural change in the shoreline.
- v) Where lands have not been identified as being in a zone on the Schedules, they shall be deemed to be in the Open Space (OS) Zone.
- vi) All lands below the surface of a waterbody or watercourse as of the date this By-law came into effect shall be deemed to be in the Open Space (OS) Zone.

2.5 COMPLIANCE WITH ZONING BY-LAW

No person shall change the use of any building, structure or land or erect or use any building or structure or occupy any land or building except in accordance with the provisions of this By-law.

Any use not specifically permitted by this By-law shall not be permitted in the City of Dryden.

In addition no person shall use any land or locate any building or structure such that the uses, buildings or structures on other lands would no longer comply with the provisions of this By-law.

2.6 HOLDING PROVISIONS

Where a zone symbol is followed by a dash and the letter "H" (for example: M-H), the lands shall only be used for existing uses and the expansion of those uses as of the date of adoption of this By-law.

Council may pass a By-law pursuant to Section 36 of the Planning Act to remove the Holding (H) Symbol, thereby placing the lands in the zone indicated by the Zone Symbol when all of the applicable following requirements have been met:

- i) the appropriate sanitary services have been approved to service the land;
- ii) all conditions of consent or subdivision have been fulfilled;
- iii) a site plan agreement has been registered on the title of the lands; and
- iv) the required permits from all other approval agencies have been issued.

**SECTION 3
GENERAL PROVISIONS**

3.1 APPLICATION

The provisions of this section of the By-law shall apply to all lands within the City of Dryden unless otherwise specified.

3.2 ACCESSORY BUILDINGS, STRUCTURES AND USES

3.2.1 Permitted Uses

Where this By-law provides that a lot may be used or a building or structure may be erected or used for a purpose, that purpose shall include any accessory building or structure or accessory use, provided the principle building, structure or use is already in existence on the lot, but shall not include the following:

- i) any occupation for gain or profit conducted within or accessory to a dwelling unit or on such lot associated therewith, except as is specifically permitted in accordance with this By-law; or
- ii) any building used for human habitation except in accordance with this By-law, as is specifically permitted.

Legal non-conforming uses shall be permitted to have accessory uses, buildings and structures in accordance with the provisions in this Section of the By-law and the Provisions of the applicable zone.

Where this By-law permits a barn it shall be considered as a principal building.

In addition, in the case of lots fronting on a waterway, accessory structures may be constructed on the bed of the waterway appertaining to the lot in accordance with the provisions of Section 3.2.5.

3.2.2 Setback Requirements

Except as otherwise provided herein, in all Zones any accessory building or structure, which is detached from the principle building, shall be erected in compliance with the yard and setback requirements of the Zone in which such building is located, but shall not be closer to the front lot line or exterior side lot line than the principle building on the lot except where the lot abuts a waterway.

3.2.3 Lot Coverage and Height

Accessory buildings, structures and uses are permitted in all zones subject to the following provisions:

1. The principal building or structure must already be established on the same lot with the exception of docks, which may be permitted on a vacant waterfront lot.

2. No detached accessory building or accessory structure may be used for human habitation or an occupation for gain, unless specifically permitted by this By-law.
3. The total lot coverage of all accessory buildings and structures on an individual lot may not exceed 75 percent of the gross floor area of the principle use unless specifically permitted by this By-law.
4. Within a Rural or Rural Residential zone an accessory building may have a maximum lot coverage of 100 percent of the coverage of the principle building.
5. Within a Commercial or Industrial Zone, the total lot coverage of all accessory buildings or structures shall not exceed 15 percent of the lot area and accessory buildings shall have a minimum size of 25 square metres.
6. The maximum height of an accessory building shall not exceed 5.0 metres except in the Rural (RU) or Rural Residential (RR) Zone accessory buildings may be 9.0 metres in height.
7. Notwithstanding the provisions of this By-law to the contrary, the height of an accessory building shall be measured from the average natural or finished grade and the highest part of the building.
8. No object such as a trailer, storage container or ship container shall be used as an accessory building or structure.

3.2.4 Permitted Encroachments

Accessory buildings and structures and ornamental features for main buildings and structures may only encroach into the required yard in a zone as outlined in Table 3.1. Where a required yard, structure or feature is not referred to on Table 3.1, the minimum required yard in the applicable zone shall be provided.

For the purposes of this section, where the exterior side lot line of a lot abuts a public lane, the side yard abutting that lot line shall be deemed an interior side yard for the purposes of determining compliance with this Section.

3.2.5 Boat Dock or Launching Ramp

Notwithstanding the yard provisions of this By-law to the contrary, a boat launching ramp or a dock may be erected and used in any yard, or appertaining to a lot abutting or adjacent to a navigable waterway, except where specifically prohibited in the abutting Zone provided such ancillary structure is located no closer than 3 metres to the side lot line or a straight line projection of the side lot line where it meets the front lot line at the water. Unless specifically identified as a principle use, docks are only permitted as an accessory structure.

3.2.6 Garages or Other Accessory Buildings or Structures

Notwithstanding the yard and setback provisions of this By-law to the contrary, a detached private garage or other accessory building or structure may be erected and used in an interior side or rear yard, provided that the following requirements are met.

i) Interior Side Yard

Where such accessory building or structure is located in an interior side yard, it shall not be closer than 1.0 metres to the interior side lot line.

ii) Rear Yard

Where such accessory building or structure is located in a rear yard, it shall not be closer than 1.5 metres to the rear lot line. However, in the case of a RS Zone, accessory buildings shall not be closer than 30 metres to the rear lot line, except as may otherwise be permitted under this By-law. In the case of a through lot in the CH zone, the accessory building shall comply with Section 3.26 and not be closer than 6.0 metres to the rear lot line.

iii) Distance from Main Building

Where such accessory building or structure is located in a side or rear yard, it shall not be closer than 2 metres from the main building.

For the purposes of this By-law, buildings covered with cloth, plastic or similar flexible materials shall be required to meet the same requirements as permanent buildings and structures

3.2.7 Garden Suite

Garden suites may be permitted as a temporary use in all Residential Zones provided that:

- i) the unit is occupied by an immediate family member of the occupant of the primary residential use;
- ii) the lot has sufficient sewage and water services to accommodate the unit;
- iii) the unit does not exceed 40 square metres; and,
- iv) there is an agreement between the owner and municipality that provides for the removal of the building when it is no longer required.

3.2.8 Gate House in Industrial Zone

Notwithstanding the yard and setback provisions of this By-law, to the contrary, in an Industrial Zone, a gate house not exceeding 9.0 square metres shall be permitted in a required front or side yard or in the area between the street line and the required yard.

3.2.9 Ornamental Structures and Windows

Notwithstanding the yard and setback provisions of this By-law to the contrary, sills, chimneys, cornices, eaves, gutters, parapets, pilasters, windows or other ornamental structures may project into any required yard a maximum distance of 0.6 metres.

3.2.10 Saunas and Gazebos

Notwithstanding the yard and setback requirements of this By-law to the contrary, a gazebo or a sauna may be permitted in a yard of a lot adjacent to a waterbody provided that:

- i) the maximum area is 14.0 square metres;
- ii) it is setback at least 4.0 metres from the normal average or maintained high water mark;
- iii) it is setback at least 2.0 metres from any side lot line; and,
- iv) the height shall not exceed 3.2 metres.

3.2.11 Drive-Through Service Facilities

A drive-through service facility shall be permitted as an accessory use to a permitted restaurant, financial institution, retail store, automotive service station, gas bar and automated car wash use, subject to:

- i) The number of drive-through service facilities accessory to restaurants, financial institutions, retail stores and automated car washes located on a lot shall not exceed a total of two. Drive-through service facilities accessory to gas bars or service stations shall not be included in the calculation of the maximum number of drive-through service facilities permitted on a lot.
- ii) The requirements of Section 3.15.10 of this By-law shall be satisfied.

3.3 ACCESS ON IMPROVED PUBLIC STREET

3.3.1 Improved Public Road

No person shall erect any building or structure in any Zone after the date of passing of this By-law, unless the lot upon which such building or structure is to be erected has frontage upon an improved public road, and such building or structure complies with the setback provisions of this By-law.

The above provisions shall not apply to prevent the erection of a permitted building or structure on a lot in a registered Plan of Subdivision where a properly executed Subdivision Agreement has been entered into with the City, notwithstanding that the street or streets will not be assumed by the City until the end of the maintenance period, nor shall it apply to prevent the enlargement, extension, renovation, reconstruction or other structural alteration of an existing building or structure, which is located on a lot which does not have frontage upon an improved public road, provided the use of such building or structure does not change and is permissible within the Zone in which it is located.

3.4 ESTABLISHED BUILDING LINE IN RESIDENTIAL ZONE

Notwithstanding any other provisions of this By-law to the contrary, where a dwelling is to be erected in a Residential Zone, between existing dwellings on the same street or shoreline, such dwelling may be built with a front yard and setback equal to the average yard of the adjacent dwellings on the same side of the street within 100 metres of the lot.

3.5 GROUP HOMES AND CRISIS CENTRES

No Group Home or Crisis Centre shall be located within 200 metres of another Group Home or Crisis Centre.

3.6 HOME OCCUPATION

Where a home occupation is permitted the following provisions shall apply:

- i) No person, other than a person living on the premises, shall be engaged in the occupation of the canvassing, delivering or distributing merchandise to customers. However, there may be one assistant who is not a resident in the dwelling at any time.

- ii) There shall be no display, other than a non-illuminated sign having a maximum surface area of 0.5 square metres, and located inside the dwelling to indicate to persons outside that any part of the dwelling or dwelling unit is being used for a purpose other than residential.
- iii) There shall be no goods, wares, or merchandise offered for sale or rent on the premises other than what is produced on the premises.
- iv) There shall be no outside storage of goods, materials, containers or animal enclosures used in conjunction with the home occupation.
- v) Not more than 25 percent of the gross floor area not including the basement of the dwelling or dwelling unit shall be used for the purposes of the home occupation, and such home occupation shall be conducted entirely within the detached dwelling or dwelling unit.
- vi) There shall be no mechanical or other equipment used except that which is customarily used in a dwelling or dwelling unit for domestic or household purposes or for use by a hairdresser or barber, dentist, drugless practitioner, physician, or other professional person.
- vii) A home occupation shall not include a boarding or lodging house, an eating establishment, or a facility offering accommodation or meals other than a Bed and Breakfast establishment.
- viii) A home occupation shall be secondary to the principle residence and shall not change the residential character of the lot.
- ix) One Home Occupation only shall be permitted in conjunction with a single detached dwelling.

3.7 HOME INDUSTRY

Where a home industry is permitted as an accessory use to a single detached dwelling in any zone the following provisions shall apply:

- i) A maximum of one (1) person other than an occupant of the dwelling may be engaged in the home industry at any time.
- ii) Such home industry may be located in part of a dwelling or in any accessory building located on a lot on which a dwelling is in existence, provided the total gross floor area utilized by the home industry does not exceed a maximum of 100 square metres.
- iii) There shall be no display, other than a non-illuminated sign having a maximum surface area of 1.0 square metres, to indicate to persons that any part of the dwelling or dwelling unit is being used for a purpose other than residential.
- iv) There shall be no outside storage of goods, materials or articles.
- v) Only currently licensed motor vehicles, associated with the home industry may be parked or stored on the lot within an interior side or rear yard.

3.8 **LOADING SPACE REQUIREMENTS**

3.8.1 **Loading Space**

Loading spaces are required under this By-law, in accordance with the Loading Space Requirement Table set forth herein, and the owner of every building or structure erected for any purpose involving the receiving, shipping, loading or unloading of persons, animals, goods, wares, merchandise or raw materials shall provide and maintain loading and unloading spaces on the lot accordingly. For the purposes of this By-law, each loading or unloading space shall be 15 metres in length, 3.5 metres in width and have a vertical clearance of at least 4.3 metres.

3.8.2 **Loading Space Requirement Table**

Gross Floor Area of Building	Loading Spaces Required
Less than 300 square metres	None
300 square metres to 2300 square metres or less	1 space
Exceeding 2300 square metres but not exceeding 7400 square metres	2 spaces
Exceeding 7400 square metres	1 space for each additional 7400 square metres.

3.8.3 **Access**

Access to loading spaces shall be by means of a driveway of at least 3.5 metres in width contained on the lot on which the spaces are located and leading to an improved public road.

3.8.4 **Loading Space Surface**

Driveways, loading spaces, and related aisles and turning areas shall be maintained with a stable surface that is treated to prevent the raising of dust. Such loading facilities shall, before being used, be surfaced with asphalt, concrete or brick and shall include provisions for drainage facilities. In Industrial Zones, a crushed stone or gravel surface shall be permitted except where such a use is abutting a Residential Zone or in a front yard.

3.8.5 **Location**

The loading spaces required shall be located in the interior side or rear yard unless such space or spaces are removed from the street line a minimum distance of 15 metres.

3.8.6 **Additions to or Change in Use of Existing Buildings**

The loading space requirements referred to herein shall not apply to any building in existence at the date of passing of this By-law so long as the gross floor area, as it existed at such date, is not increased by more than 300 square metres. If an addition is made to the building or structure which increases the gross floor area, then additional loading spaces shall be provided as required by this Section, in accordance with the provisions of the loading Space Requirement Table for such addition.

3.9 MINIMUM OPENING ELEVATION

No habitable building located adjacent to Wabigoon Lake or Thunder Lake shall have any building opening below the following elevations:

Thunder Lake	375.5 metres GSC
Wabigoon Lake	370.2 metres GSC

3.10 MULTIPLE ZONES ON ONE LOT

Where a lot is divided into more than one Zone under the provisions of this By-law, each such portion of this said lot shall be used in accordance with the Zone provisions of this By-law for the applicable Zone as if it were a separate lot.

3.11 NON-CONFORMING USES

3.11.1 Continuation of Existing Uses

The provisions of this By-law shall not apply to prevent the use of any existing lot, building or structure for any purpose prohibited by this By-law if such existing lot, building or structure was lawfully used for such purposes, prior to the effective date of this By-law and provided that the lot, building or structure continues to be used for that purpose.

3.11.2 Permitted Exterior Extension, Alteration and Reconstruction

The exterior of any building or structure which was lawfully used prior to the effective date of this By-law for a purpose not permissible within the Zone in which it is located, prior to the effective date of this By-law, shall not be enlarged, extended more than 0.2 metres, reconstructed or otherwise structurally altered, unless such building or structure is thereafter to be used for a purpose permitted within such Zone.

3.11.3 Permitted Interior Alteration

The interior of any building or structure which was lawfully used for a purpose not permissible within the Zone in which it is located prior to the effective date of this By-law, may be reconstructed or structurally altered, in order to render the same more convenient for the existing purpose for which such building or structure was lawfully used.

3.11.4 Restoration To A Safe Condition

Nothing in this By-law shall prevent the strengthening or restoration to a safe condition of any existing, legal non-conforming building or structure or part thereof, provided that the strengthening or restoration does not increase the building height, size or volume or change the existing, lawful use of such existing building or structure unless these changes are necessary to provide for floodproofing of the building.

3.11.5 Building Permit Issued

The provisions of this By-law shall not apply to prevent the erection or use, for a purpose prohibited by this By-law, of any building or structure, the plans for which have, prior to the date of passing of this By-law, been approved by the

Chief Building Official, so long as the building or structure, when erected, is used and continues to be used for the purpose for which it was erected.

3.12 NON-COMPLYING LOTS, BUILDINGS, STRUCTURES AND USES

3.12.1 Permitted Buildings or Structures

Where a building or structure is located on a lot having less than the minimum frontage and/or lot area, and/or having less than the minimum setback and/or side yard and/or rear yard required by this By-law, the said building or structure may be enlarged, reconstructed, repaired and/or renovated provided that:

- i) the enlargement, reconstruction, repair and/or renovation does not further reduce a front yard, and/or side yard and/or rear yard and/or lot coverage less than the minimum required by this By-law;
- ii) the building or structure is being used for a purpose permissible within the Zone in which it is located; and,
- iii) all other applicable Zone Provisions of this By-law are complied with.
- iv) any building or structure that legally existed as of the date of passing of this By-law that encroached on any required yard or setback a distance of 0.1 m or less or exceeds maximum lot coverage by 1.0 per cent or less shall be deemed to comply with the requirements of this By-law.

3.12.2 Reconstruction Of Existing Building

Nothing in this By-law shall apply to prevent the reconstruction of any permitted building which is damaged or destroyed. Such permitted building may be reconstructed in accordance with the previously existing standards, even if such did not conform with one or more of the provisions of this By-law, but the non-compliance may not be further increased.

3.12.3 Existing Undersized Lots of Record

Where a lot, having a lesser lot area and/or lot frontage than required herein, existed on the date of passing of this By-law, or where such a lot is created by a public authority such smaller lot may be used and a permitted building or structure, may be erected, altered and/or used on such smaller lot provided that all other applicable Zone Provisions of this By-law are complied with.

Lots which have been increased in size following passing of this By-law may also be used in accordance with this provision.

3.13 NOXIOUS TRADE

Except as may otherwise be specifically permitted under this By-law, no use shall be permitted which, from its nature or the materials used therein, is defined as a noxious trade, business or manufacture under The Health Protection and Promotion Act, as amended, and the Regulations promulgated thereunder.

3.14 NUMBER OF DWELLING UNITS ON A LOT

Unless otherwise permitted in this By-law, no more than one dwelling unit shall be permitted on any lot.

3.15 PARKING AREA REGULATIONS

3.15.1 Parking Space Requirements

The owner of land or of every building or structure erected or used for any of the purposes hereinafter set forth shall provide and maintain parking spaces for the sole use of the owner, occupant, or other persons entering upon or making use of the said premises, from time to time.

Parking spaces are required under this By-law, in accordance with the Parking Space Requirement Table. Where the calculation of required spaces exceeds a whole space of more than .25, the required spaces shall be the next whole number.

3.15.2 Parking Area Surface

Non-Residential parking spaces, or multiple unit residential parking areas and driveways connecting the parking spaces or area with a street shall be maintained with a stable surface that is treated so as to prevent the raising of dust. Such parking spaces or areas shall, before being used, be constructed of asphalt or concrete or similar material and shall include provisions for drainage facilities. Parking spaces for more than four vehicles shall be maintained with a concrete, asphalt or brick.

Single Residential unit parking can include crushed stone or gravel.

3.15.3 Ingress and Egress Provisions

- i) Ingress and egress to and from the required parking spaces and areas shall be provided by means of unobstructed driveways or passageways of at least 3 metres in width but not more than 9 metres in perpendicular width.
- ii) The maximum width of any joint ingress and egress driveway ramp measured along the street line shall be 9 metres.
- iii) The minimum distance between any two driveways on one lot or between a driveway and an intersection of street lines measured along the street line intersected by such driveway shall be 7.5 metres.
- iv) The minimum angle of intersection between a driveway and a street line shall be 60 degrees.
- v) Every lot shall be limited to the following number of driveways, namely:
 - (a) up to the first 15 metres of lot frontage, not more than one driveway;
 - (b) greater than 15 metres of lot frontage but not more than 30 metres of frontage, not more than two driveways with a

combined width not exceeding 30 percent of the lot frontage;
and,

- (c) for each additional 30 metres of lot frontage, not more than one additional driveway.
- vi) Parking spaces shall have a minimum width of 3.0 metres and have a minimum area of 18.5 square metres. The length of any parking space and the width of the adjacent aisle shall be in accordance with the following:

Angle of Parking Space Perpendicular with aisle	Minimum Length of parking space	Minimum width of aisle
60 degrees to 90 degrees	6.2 metres	6.9 metres
45 degrees to 59 degrees	6.2 metres	5.2 metres
30 degrees to 44 degrees	6.2 metres	3.7 metres
0 degrees to 29 degrees	6.2 metres	3.0 metres

3.15.4 More Than One Use on a Lot

When a building or structure accommodates more than one type of use, the parking space requirement for the whole building shall be the sum of the requirements for the separate parts of the building occupied by the separate types of use.

3.15.5 Parking Area Location on Lot

Notwithstanding the yard and setback provisions of this By-law to the contrary, uncovered surface parking areas shall be permitted in the required yards or in the area between the street line and the required setback except that, where a Commercial Zone abuts a Residential Zone, parking shall not be located in the required yard between the two zones.

Within a Residential Type One and Residential Type Two Zone, in the front yard or exterior side yard, the maximum width of a driveway or parking area shall be 7.0 metres.

3.15.6 Additions To, or Changes In, The Use of Existing Buildings and Structures

The parking space requirements referred to herein shall not apply to any building or structure lawfully in existence on the date of passage of this By-law, so long as the gross floor area is not increased and the use or number of dwelling units does not change. If any addition is made to a building or structure which increases its gross floor area, then parking spaces for the addition shall be provided as required by the Parking Space Requirement Table. Where a change in use occurs, parking spaces shall be provided for such new use in accordance with the requirements of the Parking Space Requirement Table.

3.15.7 Use of Parking Spaces and Areas

Parking spaces and areas required in accordance with this By-law shall be used for the parking of operative, currently licensed vehicles only and for vehicles used in an operation incidental to the permitted uses in respect of which such parking spaces and areas are required or permitted.

Notwithstanding the foregoing, the owner or occupant of any lot, building or structure in the Residential Type One or Residential Type Two Zone may use the lot building or structure for the parking, storing or housing of one commercial motor vehicle or trailer provided that such vehicle does not exceed a 1000 kg capacity.

Commercial motor vehicles used in conjunction with a farm and one commercial truck or school bus are permitted in a Rural Zone provided that such vehicle must be parked in the side or rear yard unless it is parked indoors.

3.15.8 Parking in the Downtown Commercial Zone

Within the Downtown Commercial Zone shown on Schedule A, the required parking spaces may be provided on another lot within 200 metres of the boundary of the lot for which parking is required provided that there is a legal agreement between the owners of said lands providing the parking, the owner of the use requiring the parking and the City of Dryden that ensures that the parking will continue to be available as long as the use is in operation.

Within the Downtown Commercial (CD) Zone parking spaces shall only be required for commercial uses where those uses exceed 900 square metres in gross leaseable area.

3.15.10 Queuing Lanes

- a) **Queuing Lane Requirements**
Where drive-through service facilities are permitted in Section 3.2.11 as an accessory use, queuing lanes are required and shall be exclusive of any other parking space and aisle requirements contained within this By-law and shall be provided in accordance with the provisions of this Part.
- b) **Queuing Space Requirements**
The minimum queuing space requirements within a designated queuing lane shall be in accordance with the standards set out in the Table below:

PRINCIPLE USE	MINIMUM REQUIRED QUEUING SPACES
Financial Institution	5
Restaurant	11
Automotive Service Station or Gas Bar	4
Car Wash – Automated	11
All Other Uses	4

3.16 PEAT EXTRACTION, PITS AND QUARRIES

The extraction of peat, establishment or operation of pits or quarries is prohibited within the area covered by this By-law, except in the locations permitted by this By-law, and in accordance with the provisions of this By-law. No person shall use land or erect any building or structure for the purpose of processing, washing, screening, sorting or crushing rock, sand and/or gravel and or peat except as expressly provided for in this By-law.

3.17 PLANTING STRIPS

3.17.1 Location

Where a lot in a Residential Multiple, Institutional, Commercial or Industrial Zone abuts an interior side or rear lot line of a lot in a Residential Zone, a planting strip adjoining such abutting lot line, or portion thereof, shall be provided within the Residential Multiple (RM), Institutional, Commercial, or Industrial Zone with a minimum width of 3 metres.

3.17.2 Contents

Such required planting strip shall be used for no other purposes than planting a continuous, unpierced hedgerow of trees, evergreens or shrubs, or solid fencing not less than 1.5 metres high, immediately adjacent to the lot line, or portion thereof, where such planting strip is required. The remainder of the planting strip shall be used for no other purpose than the planting of ornamental shrubs, flowering shrubs, flower beds, grass or a combination thereof.

3.17.3 Driveways and Walkways

In all cases where ingress and egress, driveways, launching ramps or walkways extend through a required planting strip, it shall be permissible to interrupt the planting strip within 3 metres of the edge of such driveway or within 1.5 metres of the edge of such walkway.

3.17.4 Landscaped Open Space

A planting strip or buffer screen referred to in this Section may form a part of any landscaped open space required by this By-law but shall not form part of a required yard.

3.18 PUBLIC USES

3.18.1 Public Services

Except as provided in paragraph 3.18.2. hereof, the provisions of this By-law shall not apply to prohibit the use of any lot or the erection or use of any building or structure for the purposes of public uses provided by the City, or any Public Authority including any Department or Ministry of the Government of Canada or Ontario or any Conservation Authority established by the Government of Ontario and, for the purposes of this Section, shall include Ontario Hydro, any telephone, telegraph or cable TV company and any natural gas distribution system operated by a Company distributing gas to the residents of the City, which company possesses all the necessary powers, rights, licenses and franchises.

3.18.2 Location Restrictions

Notwithstanding any other provision contained in this By-law to the contrary, where a public use is specifically mentioned as a permitted use within a specific Zone classification, then such public use shall only be permitted within that Zone or Zones and shall comply with the Zone Provisions of the Zone or Zones in which the public use is permitted, save and except that there shall be no minimum lot area or lot frontage requirement. This provision shall not apply to Crown agencies.

3.18.3 Provisions

- i) No goods, materials or equipment shall be stored outside the building or structure located on the lot, except as may otherwise be permitted under this By-law;
- ii) The Zone provisions of the Zone in which the use is located shall be complied with except as otherwise provided in this By-law;
- iii) No building or structure erected in accordance with the provisions of this Section shall be used for the purposes of an office or maintenance or works depot; and,
- iv) The building or structure shall be designed and maintained in general harmony with the uses permitted within the respective Zone.

3.18.4 Streets and Service Installations

Nothing in this By-law shall prevent land from being used as a street or highway, or prevent the installation of a watermain, sanitary sewer, storm sewer, gas main, pipeline, overhead or underground hydro, communication line or high voltage electrical facilities owned, operated and maintained by Ontario Hydro or the Public Utilities Commission.

3.19 REDUCTION OF REQUIREMENTS

No person shall change the purpose for which any land, building or structure is used or erect any building, or structure, or addition to any existing building or structure, or reduce the area of any lot, if the effect of such action is to cause the original adjoining, remaining or new building, structure or lot to be in contravention with this By-law.

3.20 RESTRICTIONS ON DWELLING UNITS IN NON-RESIDENTIAL BUILDINGS

Notwithstanding any other provision of this By-law, to the contrary, no dwelling unit shall be located within a portion of a non-residential building which has gasoline or other flammable fluids or hazardous materials stored in bulk for commercial purposes or in conjunction therewith, and without limiting the generality of the foregoing, a dwelling unit shall not be permitted within a building used for a motor vehicle service station, a motor vehicle repair garage, a motor vehicle body shop or a marine service shop.

3.21 SERVICES REQUIRED

No person shall erect or use a building or structure for a residential use on any lands except for lands in the Residential Type One (R1), Residential Type Two (R2) or Residential Multiple (RM) Zone unless municipal sewage disposal and water supply services are available to the lot.

3.22 SIGHT TRIANGLES

On a corner lot fronting on two City roads, within the triangular space formed by the street lines and a line drawn from a point in one street line to a point in the other street line, each such point being 9 metres measured along the street line from the point of intersection of the street lines, no motor vehicle, as defined in The Highway Traffic Act, shall be parked, no building or structure which would obstruct the vision of drivers of motor vehicles shall be erected, and no land shall be used for the purposes of growing shrubs or trees in excess of 1.0 metres in height. Such triangular space may hereinafter be referred to as a "sight triangle". Where the two street lines do not intersect at a point, the point of intersection of the street lines shall be deemed to be the intersection of the projection of the street lines or the intersection of the tangents to the street lines.

Where the lands are located in the Downtown Commercial (CD) zone or abut roadways where the posted speed limit is 40 KMPH or less, the site triangle may be reduced to 6.0 metres.

3.23 SIGNS

Unless otherwise specified, the provisions of this By-law shall not apply to prevent the erection, alteration or use of any sign provided such sign complies with the By-laws of the City.

3.24 SPECIAL SETBACKS

3.24.1 Livestock Facilities

Notwithstanding any other yard or setback provisions in this By-law to the contrary, no residential, institutional, commercial, industrial or recreational use,

located on a separate lot and otherwise permitted by this By-law shall be erected or altered unless it complies with the Minimum Distance Separation (MDS I) calculated using Schedule B to this By-law.

Notwithstanding any other yard or setback provision in this By-law to the contrary, no livestock facility shall be erected or expanded unless it complies with the Minimum Separation Distance (MDS II) calculated using Schedule C to this By-law.

3.24.2 Railways

No building or structure used for human habitation shall be located closer than 30 metres to the limit of a railway right of way to the main line of the CPR Railway.

3.24.3 Street Centre Lines

Where a lot abuts a road allowance less than 20 metres in width, the minimum setback from the street line shall be 10 metres from the centre line of the street plus the required front yard or exterior side yard within the zone.

3.24.4 Trans Canada Pipelines

No permanent building or structure shall be located within 10 metres of the Trans Canada Pipeline right of way.

3.24.5 Waste Disposal Areas

No new habitable building or structure utilizing a private well and septic system shall be located closer than 500 metres to any land zoned Waste Disposal Industrial (MD).

3.24.6 Watercourses

Unless otherwise permitted by this By-law, no building or a leaching bed for a sewage system shall be located within 30 metres of the normal or controlled high water mark of any watercourse or lake unless otherwise approved under the Building Code Act.

3.25 TEMPORARY USES PERMITTED

A tool shed, construction trailer, scaffold or other building or structure incidental to construction is permitted in all Zones within the City on the lot or in the case of a dock, appurtenant to where it is situated but only for so long as it is necessary for the work in progress and until the work is completed or abandoned. For the purpose of this Section, abandoned shall mean the discontinuation of work for more than 30 consecutive days and/or the failure to maintain a current building permit.

3.26 THROUGH LOTS

Where a lot, which is not a corner lot, has lot frontage on more than one street, the setback and front yard requirements contained herein shall apply on each street in accordance with the provisions of the Zone or Zones in which such lot is located. Accessory buildings on through lots shall not be closer than 6.0 metres to the street.

TRAVEL TRAILERS, MOBILE HOMES AND CAMPERS

Parking and storage of boats, recreational vehicles, trailers and similar vehicles shall only be permitted in the Rural (RU) or Residential (RR) Zones subject to the following provisions:

- i) Boats, recreational vehicles and trailers shall be stored in the rear or interior side yard and must meet the setbacks required for an accessory building.
- ii) In the RU and RR zones a recreational vehicle or trailer may be used for human habitation for no more than 30 days in any calendar year on a vacant lot.
- iii) In all other Residential zones a recreational vehicle or trailer may be used for human habitation for no more than 30 days in any calendar year if there is an existing principal dwelling.

Mobile homes may be used as dwelling units only in a zone which permits mobile homes provided they have been constructed to CSA Standard Z240 or the equivalent and are located on permanent foundations with the running gear and towing equipment removed.
